satis, with an overdress of pink mouseline de sol, and on this again a white similarly composed, and draped becomingof black velvet form little shoulder epan- and bright eyes. lets, while if the gown is used for what pliques as well as mantles, gowns and cocaded in a fern pattern, edged with salife, with a deep shoulder cape also edged with saids, and square lanels and coller cut all in one piece, thickly oversewed with emeralds and steel. Nothing could be lovelier or more serviceable, lesson, that was costly but satisfactory, which she has quite a talent, into which has forever and a day. Incecould be substituted for the suble; making the clonk just as chie.

which is now wern over it,

Juckets are new seen with pogoda sleeves, made somewhat large and short.

Jeweled sleeves of lace are also seen with some evening dresses and are fastourd to the shoulder with jewels. This is much prettier than the "no-sleeve" style, which some women continue to

Shoes and stockings usually match dress not only in color but also in muturnal us regards shoes. With block Gold and silver shoes are not infrequent- until her health is fairly established. ly seen with evening dres, though satin is always more becoming to the foot.

B B B Every evening toilet must now show its decolletage cut square, to display as much white chest as possible. While eltow sleeves promise to be very much the vate practice, much to the satisfaction mode, the art of the dressmaker is of his many friends. strained to push the top of the arm covering far out on the shoulder's tip. This does not imply the least immodesty, for the whole object is to attain that most gracious effect in the feminine figure, a wide chest and well sprung shoulders, in contrast with a long and tapering waist. The tendency is directly toward the mode of 1800 and thereabouts, when from arm top to arm top, the shoulders were

exposed quite bare of covering. Possessors of particularly white necks, chests and shoulder lines have their dinner gowns so artfully arranged that in the course of every natural gesture or gesticulation one strap of sleeve top slides | time before his health is fully established. from its moorings and a width of alabaster flesh is successfully displayed.

Those who are not so blissfully confideut of the perfection of their shoulder lines and yet take no secondary place in tion, with the decoration done in maure characteristic sketch drawn by Dr. Day, health of the people there and of the conchiffon draperies, edged with violet rib- which created considerable amusement. bon, the chiffon scari was made with a ruche to stand almost like a medici collar at the back and a big bow of violet tinted panne ribbon fastened it on the left side. When the scarf is not worn, a tulle collar, with a very big wired bow of the same cobwebby fabric at the back, or to one side, takes its place and duties, while for a very slim, white neck the receipe is a single string of pearls at the base and as high up as possible, close under the chin a circle of black bebe velver ribbon tied at one side.

From Babyhood to Boyhood. [From the Chicago Times-Herald.] I saw a sweet young mether stand Where snow had drifted o'er the land A babe was lying on her breast.

Its fragile form

Against berself she fondly pressed. To keep it warm. In later years I passed once more And saw her at the cottage door;

A boy was lying on her knee, Her look was grim-And, suffering Joshua! how she Was warming him!

THE KIND OF TALK THAT PAYS

is governed by three quiderations where to to talk, what to say and how to say it. His medi-um of speech must be carefully picked from among many papers, his words must be skillfully chosen and must be adrottly spoken to the put-ric. When the talk is on paper the last considera-tion becomes exceedingly important. The right pa-per, the right words, and the right typegraphical display make advertising

display make advertising profitable. The wrong words or the wrong dis-play, or a combination of play, or a combination of both, will lessen the ad-vertising benefits that should accrue from the use of the right paper— THE REPUBLICAN is the right paper. Its rightness is best shown when the right kind of advertising talk is used to chaim the attention of eighteen hun-dred REPUBLICAN read-ers. The preparation of ers. The preparation of talk is a matter worthy of

If you are an advertiser in THE REPUBLICAN and desire to make a profit-able medium still more profitable, but are in doubt concerning the most effective way of talk-ing to the public, consult our advertising depart-ment, if you take or con-template taking extra space in THE SUNDAY RE FUBLICAN, co-operation with this department will issist in making the ir crease of space doubly re-munerative. Your profit is our gain—we cordially tender our assistance.
